"Dr. Fauci *lied and lied and lied* subsequent to this crisis meeting. They knew that they were lying."

"The White House Is freaking out. Freaking out."

"Blood clots, lung clots, leg clots, problems with platelets, clots in your brain...They know it's happening...These are scientists and message people. This is the message shop."

"I've never seen anything like this in the history of our country."

—Naomi Wolf, interview [here](#), describing the bombshell work of her colleagues, Amy Kelly and attorney Edward Berkovich.

## 46 Pages FOIAed Emails Between CDC Leaders, Dr. Fauci, Dr. Collins, and White House, NIH, HHS, Show They Knew About Vaccine-Induced Myocarditis and Thrombotic Thrombocytopenia, a Blood Clotting Disorder. Emails Over 80% Redacted.

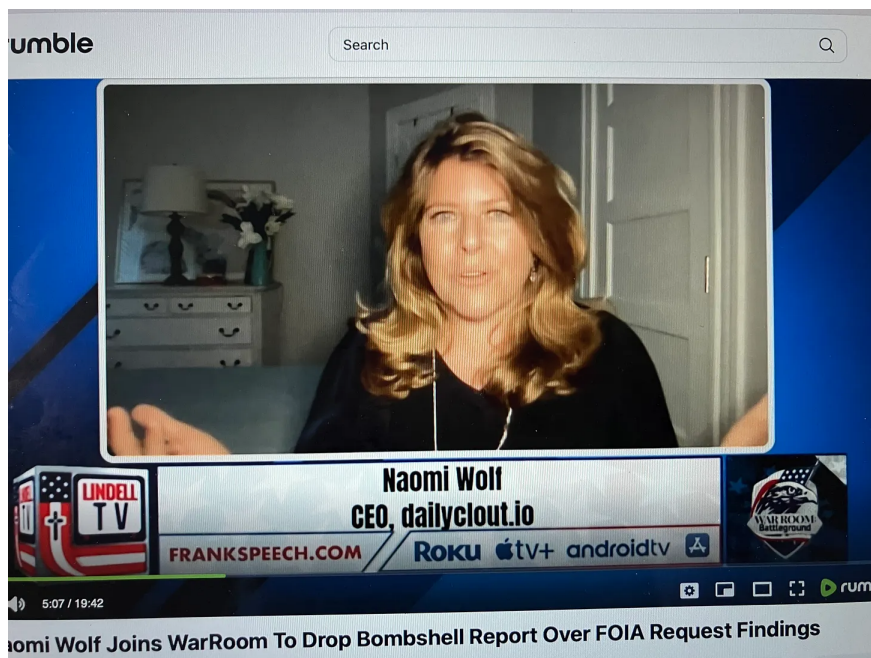

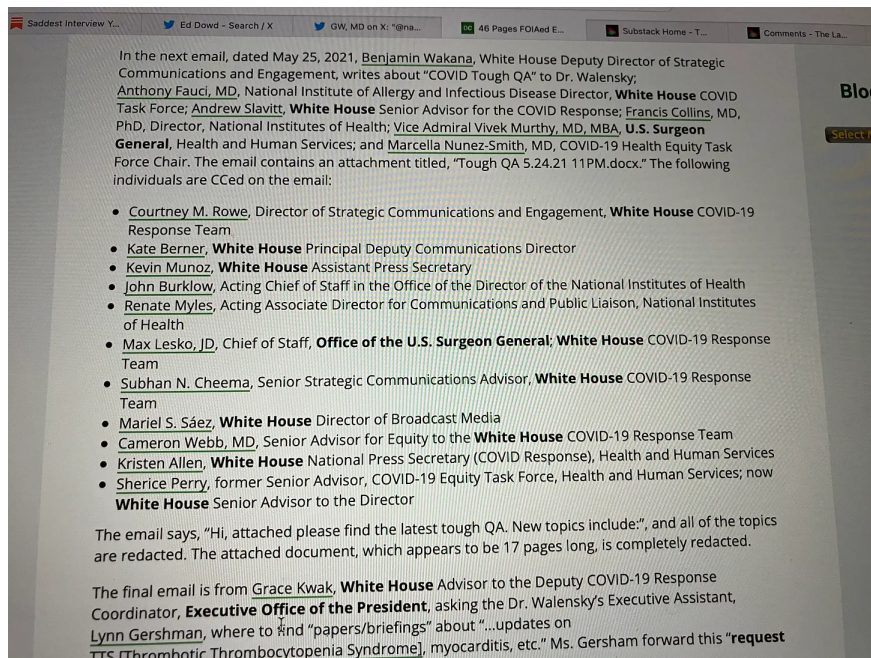

September 20, 2023 • by [Amy Kelly](#)

Attorney Edward Berkovich submitted a Freedom of Information Act (FOIA) request to the Centers for Disease Control and Prevention (CDC) stating, *"I request emails sent by and received by Dr. Rochelle P. Walensky, Sherri A. Berger, and Kevin Griffiths (all of whom are CDC personnel) on dates beginning February 1, 2021 through May 31, 2021, containing the word myocarditis."*

DailyClout reported on the initial 472-page production from that FOIA on August 29, 2023.

Mr. Berkovich recently received 46 additional pages, **over 80% of which were fully redacted**, involving other government entities such as the **White House and Executive Office of the President**, as part of this production. Of the 46 pages, **only two pages were released without any redactions**. Seven pages were partially redacted pages, and **37 pages were fully redacted**. The redactions were "pursuant to 5 U.S.C. §552 Exemptions 5 and 6." According to the CDC cover letter accompanying this production:

- **"Exemption 5** protects inter-agency or intra-agency memorandums or letters which would not be available by law to a party other than an agency in litigation with the agency. Exemption 5 therefore incorporates the privileges that protect materials from discovery in litigation, including the

Amy Kelly article [here](#).

My friend [Kristina Borjesson](#) just made the point that NOW what has to happen next is litigation by FOIA expert attorneys to get those 46 pages UNREDACTED.

This is my thought:

Every American citizen must be given access to this complete set of communications, and the guilty must be prosecuted in a special court arranged by the victims' families.

Do not let this go by as more of the same—it is indeed a bombshell but in addition—it contains yet to be detonated secondary bombs that we REALLY need to get hold of.

WHAT do those 46 redacted pages traced to the WH say? We must refuse to wait for this, and refuse to be gaslit or guilt tripped by some smug *Press Secretary* condescendingly telling us she's "...not going there," or "...not doing it."

SPREAD The Kelly-Berkovich report and the Wolf interview on The War Room (all linked here) far and wide, assuming upon review, you agree how significant this is.

Our cynicism, our battle fatigue, our information overload, provides free passage for very dangerous criminals, murderers, to put it bluntly, whose time is now *over*.

Everybody must unite to get those 46 pages UNREDACTED by way of “emergency” litigation, (since they used “emergency” use authorization to bypass all safety and efficacy research, to get “shots into arms” in 2021.)

Following **\$4.6 trillion** in HHS spending.

Who took what bribes? You can read all about it [here](#). (Started us off with a direct link to “Media Partners,” at the perfectly vile site [www.wecandothis.hhs.gov](http://www.wecandothis.hhs.gov).)

Look over the 3907 “Media Partners,” who all took the Covid Propaganda funds, and parroted their deadly “messaging.” (Dr. James Thorp alerted me to the “Covid Community Corps,” parallel propaganda economy.)

The only Presidential candidate who even speaks this language—who understands *exactly what this is*, and *could* redress it, at the highest level, is Robert F. Kennedy Jr.

I have never raised money or even tried to help any Presidential candidate, but in the month of September, I agreed to be a grassroots fundraiser and TRY to raise \$1000 for Kennedy24, by Sept 30.

I’ve been so busy with the James Thorp book I am co-authoring that I put it off until the last moment, but here’s this:

If you have been thinking of making a donation of any size to **Kennedy24**, and have not yet done so, please consider donating by way of my grassroots link: [here](#).

Thank you. And thank you Naomi Wolf, Amy Kelly, and Edward Berkovich, for what you did, on behalf of us all.

This is only shocking to those not familiar with the history of the chemical industry from the 1950s through the 1970s. It is not shocking when you remember that the postwar American government is an extension of the Third Reich. It's not shocking when you know that 100 million Americans at least were injected with oncogenic SV-40 from outset of the "polio vaccine" through 1964 and many more through 2000 when vero cells were finally abandoned. It's only shocking to those ignorant of the history of science and if you if you focus on the government. In fact it is not shocking at all, and I do not mean that in the rhetorical sense. This is the history of political science as we have witnessed it from 1900 forward.

They KNEW long before the scamdemic was announced. They've told us the truth via predictive programming decades in advance. Humanity is the "VIRUS" they want to eliminate.
