## SHOCKER: FOIA Request Reveals 11,000 Politicians Received DEATHVAX™ Exemption

2ND SMARTEST GUY IN THE WORLD · DECEMBER 5, 2023

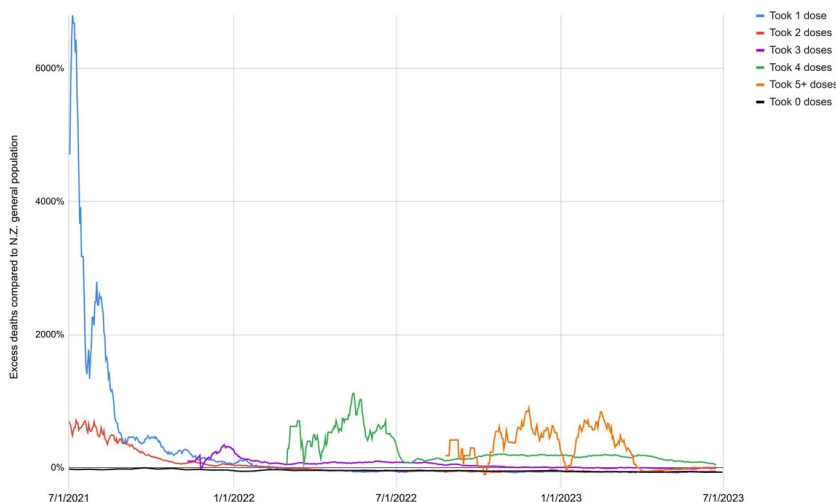

Since the bombshell New Zealand whistleblower story broke... we now know that the wholly criminal and illegitimate New Zealand government attempted to have the courts deny bail for Barry Young, the hero that blew wide open the slow kill bioweapon democide. Thankfully, he will post bail, and be somewhat safe for the time being. But said government is wor...

Today the New Zealand government was forced to release their DEATHVAX™ data, and it vindicates not just whistleblowers like Barry Young, but, also, everyone else that has been warning of these Modified mRNA poisons; the official NZ statistics thankfully include the unvaccinated as a kind of quasi control that irrefutably proves a. there was never any pandemic, and b. the “vaccines” are deliberate slow kill bioweapons, c. governments are still deliberately engaging in democide:

This is absolutely damning data.

Any government, agency, corporation, politrick, “expert,” etc. still in any way endorsing these “vaccines” is willfully committing Crimes Against Humanity; at this late stage in the game there is no alibi, excuse, plausible deniability, or pardon for anyone in any way promoting these slow kill bioweapons.

They want you dead.

Do NOT comply.

SHOCKER: FOIA Request Reveals 11000 Politicians Receive DEATHVAX. Exemption.

Line them up, and force inject them. They've committed a heinous crime against the public that entrusted them to ensure their safety. They need to be punished. These people taking bribes need to be dealt with in a very serious manner.
